COMMUNITY SERVICES

PART OF THE SHEPPARD PRATT HEALTH SYSTEM

#GivingTuesday matters to Mosaic

This year, Mosaic will be participating in Giving Tuesday, a global day of giving fueled by the power of social media and collaboration.

#GivingTuesday kicks off the charitable season.

Mosaic will use #GivingTuesday as an opportunity to share stories about its Offsite Counseling Program, which provides therapy to children and adolescents with mental illness. The OSC program brings the counselors to the kids-in schools, at home, even to summer camp.

Black Friday. Cyber Monday.

#GIVINGTUESDAY™

November 29, 2016

Donations made for #GivingTuesday will support Mosaic's Offsite Counseling Program.

Look forward to e-bulletins throughout November, leading up to #GivingTuesday. Please share Mosaic's stories with your friends, family members, and social media followers. The more people who know Mosaic's stories, the greater impact your gift will have.

Reflecting on a summer's bounty

The campus of Mosaic's Catonsville PRP exploded with flowers, herbs, and vegetables this summer, overflowing from gardens planned, planted, and maintained by a group of dedicated gardeners. Originally conceptualized to provide a creative and active outlet for clients who are trying to quit smoking, the garden has become a centerpiece of Catonsville's campus and an opportunity for everyone to test out their green thumbs.

[Programs like Catonsville's garden are supported by Mosaic's CORE Fund. To DONATE to support this and similar social and recreational programs, CLICK HERE.](#)

Why do you give? [Help us understand.](#)

Mosaic Community Services depends on donors like you to make sure we can focus our attention on our clients and their recovery. We want to make sure we are doing everything we can to satisfy your expectations of us. Please take a minute to provide us feedback, so we are better able to honor you, our donors, and your expectations.
